REGISTRATION FORM FOR **PARENT ORIENTATION SESSIONS**

Parents of Youth Grades 7—9

Enrolling in the *Our Whole Lives (OWL)* **2010 – 2011**

The *Our Whole Lives (OWL)* curriculum — a lifespan values-based sexuality program — will be offered for Grades 7—9, starting this fall at UUSIC. Our teaching volunteers have gone through special UUA training to assist in providing this year's program. We are excited and look forward to a year that promises new challenges and growth.

To accommodate everyone's busy schedule, we have set up two times for parent orientations and two times for slide viewings. Please check below whether your child is interested in participating in *OWL* and if so which orientation and slide viewing you plan to attend, and return to UUSIC Society Office, 10 S. Gilbert St. Iowa City, IA 52240. We strongly encourage parents who are new to OWL to attend the orientation before the slide viewing.

Please be sure to mark your calendars with the starting date for *Our Whole Lives*

The class will begin with a church overnight Sept. 10 at 7:00 pm

Class times for Junior High OWL are Wednesday evenings, 6:30 —8:00 pm
