

## **How to Obtain Copies of “The Value of a Reformed Murderer”**

**If you would like a copy of this paper, please write UUS Prison Ministry at [prisonministry@uusic.org](mailto:prisonministry@uusic.org).**

**If you would like to write an o-mail to Michael Blackwell, sign up to correspond with him on the CorrLinks website (<https://www.corrlinks.com/en-US/login> ). You must use his ID# on all correspondence: 0060156.**

**If you would like to write a letter to him, address it to:**

**Michael Blackwell #0060156**

**Fort Dodge Correctional Facility**

**PO Box 96777**

**Las Vegas, NV 89193**

**IDOC sends all letters to a central location in Las Vegas where they are photocopied. Only the photocopies are distributed. Letters take much longer to reach addresses than o-mail.**

- Write on 8½x11" paper, on one side only, and on regular paper only. Do not use card stock, stationery, colored paper, or greeting cards. Do not apply any artwork, glitter, scents, or stains.**
- There is a limit of ten pages per envelope, and a limit of one such envelope per day (so don't send 20 pages in two envelopes on the same day, or your correspondent won't get one of them).**
